“CRAFT MAKES OUR HOMES  
MORE HUMAN.”

- I L S E C R A W F O R D

---

Chapter 8 Europa Arte® is a diverse collection of European-made ceramic and porcelain tiles. As the name Arte in Europa Arte suggests, the themes carried on by this collection revolve around art forms from a wide array of mediums including clay, paints, and textiles. All points of inspiration used by traditional Italian and Spanish artisans to create their unique handcrafted masterpieces. Together, these elements make up the motif of this colorful and multifaceted chapter.

their work or rich handmade textures representative of the soft indentations made by hand pressing clay. The solid Acquerello fields found in the collection maintain an effect of gently laid watercolors while the patterned tiles take on the look of traditional cement encaustics.

Europa Arte’s hand-made look maintains the perfect balance of texture and color to create unparalleled designs.

The field tiles featured in Chapter 8 have varied finishes ranging from subtle textures that simulate the delicate brushstrokes a painter would impress onto

*6" x 6" Verona Field Tile (80641)*

**Please Note:**

All product shots are artistic interpretations of actual product. Due to the nature of the printing process, we recommend obtaining physical samples of product for actual color representation.

Chapter 8 Europa Arte was designed to have shade variation and character associated with handmade products. Care should be taken to blend product from multiple cartons and product should be laid out prior to installation to ensure a proper, uniform look. A high-quality white thinset should also be used during installation.

#### **IMPORTANT: Installation Instructions**

We recommend wet cutting or the score and snap method during the installation process. Improper installation techniques could expose installer to inhalation of harmful silica dust.

Do not dry cut product using power tools during the installation process. Using dry cutting methods could present a risk of acute lung injury. If adequate ventilation cannot be achieved, wear a mask or respirator.
