

GASCOGNE BLUE LIMESTONE

F

BRUSHED 18"x36"

Just so you know...

Gascoigne Blue Limestone combines natural elegance with lasting durability, featuring a subtle blue-gray hue enhanced by a brushed finish. The textured surface offers slip resistance and visual depth, making it ideal for patios, walkways, pool decks, and interior feature walls. Engineered for both strength and aesthetic appeal, this limestone provides a timeless, versatile solution for residential and commercial architectural projects.
