

# MEMPHIS LIMESTONE

F

LEATHER 18"x36"

## *Just so you know...*

Memphis Limestone in a leather finish combines warm, neutral tones with a subtly textured surface that enhances slip resistance and visual depth. Durable and versatile, it is ideal for patios, walkways, pool decks, and interior feature walls. Offering both strength and timeless elegance, this limestone provides a reliable, low-maintenance solution for residential and commercial architectural projects.
