SPECIALTY COLLECTION

The Inspiration

Mercantile draws inspiration from the honest materials and hardworking spaces that have shaped everyday design for generations. Brick-lined storefronts, stockroom shelves, and well-worn interiors inform the look of this collection, where character is built through texture rather than ornament. Crafted in ceramic, Mercantile offers a warm, approachable surface that feels familiar, durable, and easy to live with.

Defined by a single rectangular shape and a concise palette of four versatile colors, Mercantile is intentionally focused. This measured design

approach allows the subtle variation and texture of each tile to take center stage, creating depth and visual interest through simplicity. Whether used on a kitchen backsplash, bathroom wall, or accent feature, Mercantile delivers dependable design that feels grounded, inviting, and timeless.

Please Note:
All product shots are artistic interpretations of actual product. Due to the nature of the printing process, we recommend obtaining physical samples of product for actual color representation.
Mercantile is a ceramic collection with substantial shade variation due to the rough texture of the tile.
Irregularities in ceramic items are part of the material's organic hand-crafted appearance.
Care should be taken to blend product from multiple cartons and product should be laid out prior to installation to ensure a proper, uniform look.

IMPORTANT: Installation Instructions. We recommend wet cutting or the score and snap method during the installation process. Improper installation techniques could expose installer to inhalation or harmful silica dust.

Do not dry cut product using power tools during the installation process. Using dry cutting methods could present a risk of acute lung injury. If adequate ventilation cannot be achieved, wear a mask or respirator.

TECHNICAL DATA

S P E C S

SERIES: Specialty Collection - Mercantile

COLOR: White, Green, Brown, Grey

ITEM: Field Tile 2.5" x 10"

FINISH: Satin

TECHNICAL RULES: ISO-14411 ANNEX 13 GROUP BIII

Water absorption UNE-EN-ISO 10545-3	14.5%
Frostproof resistance UNE-EN-ISO-10545-12	No (product for indoor use only)
Surface Hardness (MOHS Scale) UNE-67-101-92=EN-101	3
Cracking Resistance UNE-EN-ISO 10545-11	OK

RESISTANCE TO ACIDS AND ALKALINES UNE-EN-ISO 10545-13

CHEMICAL COMPOSITIONS	CLASSIFICATION	RESULT
Sodium Hxipochloride	GA	Without any visible effect
Hydrochloric Acid (L.C) 3%	GLA	Without any visible effect
Citric Acid (L.C) 100 g/l	GLA	Without any visible effect
Potasic Hydroxide 30 g/l	GLA	Without any visible effect
Hydrochloric Acid 18%	GHB	Without any visible effect
Lactic Acid 5%	GHA	Without any visible effect
Potasic Hidroxide 100 g/l	GHA	Without any visible effect

RECOMMENDATION: This product is a press white body ceramic wall tile and is recommended for indoor wall installation only. It is not tested for floors or external wall use.

Vendor does not warrant that any of its products will meet any testing parameter other than that measured at time of testing. Testing was completed by a certified lab and is representative only of product available for testing at the time. Vendor recommends that customers have tile independently tested to determine if the product meets or exceeds the requirements of the specifier or customer.
