DROPS
A touch of tradition

Inspired in the terrazzo original from Venice XV century.

We present you a state of the art product, with embedded glass looking fragments within a porcelain body, visual continuity for a perfect match to any space.

- Two very different trends:
- “Color Drops” for those of you fancy and more forward.
 - “Natural Drops” for the most classy and elegant choice.

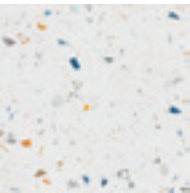

Inspirado en el terrazo original de Venecia del siglo XV.

Le presentamos un producto fabricado en porcelánico de última generación, en donde el juego entre superficies brillantes y matificadas crean una continuidad visual perfecta para cualquier espacio.

- Dos tendencias muy diferentes:*
- "Color Drops" para aquellos que dejan volar su imaginación.
 - "Natural Drops" la opción más clásica y elegante.
