britannia limestone

The Britannia Limestone Tile Collection is a finely crafted blend of versatile tiles, elongated shapes, hexagonal mosaics, and elegant moldings. The rich variation of this collection creates endless creative possibilities. With such a wide range of shapes, this collection has the perfect option for any interior. The mosaics offer customizable patterns and colors to create the design of your dreams. The unique Autumn Leaf Mosaic mirrors the earthy look of a leaf-strewn forest floor, while the Herringbone Mosaic evokes the simple classiness of mid-century interiors. In turn, the Textured 3d Hexagon Mosaic makes a bold, graphic statement for cutting-edge compositions. The Britannia Limestone Tile Collection is ideal for customers that want ultimate creative freedom with endless possibilities. This product is suitable for interior walls, floorings, and showers.

V3 - Moderate Variation: While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles,the number of colors on each piece may vary significantly.For example “that little bit of color” on piece of tile may be the primary color on the next piece.
