moresque

special order collection

Moresque Glazed Tile is luxury hand-made ceramic tile and decorative collection. There are endless combinations of unique tile shapes and pieces from field tile to Arabesque. An exquisite assemblage of stylized interlocking Arabesque patterns and intricate mosaics of enduring beauty and ancient American craftsmanship. Suitable for interior wall and light traffic floor applications, as well as commercial interior wall applications. Moresque's majestic decorative tiles come along with various shapes and sizes of field tile, trim and architectural moldings.

V3 = MODERATE VARIATION:
While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the amount of colors on each piece may vary significantly. For example "that little bit of color" on one piece of tile may be the primary color on the next piece.
