Dream of walking across the sunlit floors of a rustic Italian villa, the view of winding vineyards on the horizon, with the Sedona Stone & Terra Cotta Mosaic Collection. Named after the stunning red canyons of Sedona, this collection offers six exquisite mosaic designs. The rich earthy tones of the terracotta boldly contrast the soft white hues and leather texture of the Diana Royal marble. The result is a collection with classic designs in a modern style. These mosaics can be applied on residential floors and residential/commercial walls.
